

DEAR STUDENTS,

all the persons who due to difficulties resulting from their health situation require supportive solutions during their studies are encouraged to report such needs as they arise to the Office for Persons with Disabilities (OPD).

Applications for medical leaves submitted after the commencement of examination sessions will be processed in accordance with the provisions of § 43 section 3 of the Rules and Regulations of Study, in particular they will be analyzed in terms of lack of possibility to report the difficulties earlier.

Way to apply for Medical Leave:

- 1 Submit an application for medical leave by selecting the appropriate form in the USOSweb applications module.
- 2 Register at the Office for Persons with Disabilities.

Fill in the form from the link below, wait for OPD consultant to contact you
